Re: Case No. 2003-00360
Maps submitted for Staff and file

Dear Mr. Dorman:

During the informal conference, held on November 13, 2003, a request was made that a map be supplied generally showing (1) DVU facilities and service lines, (2) the locations of the customers residing outside of Doe Valley and (3) the proximity of the Meade County lines. The map has been prepared in cooperation with Meade County Water District. Provided herewith are five copies of the map. As indicated by the attached service page, a copy of the map is being provided to the sole intervener.

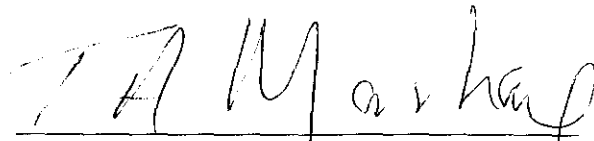

Sincerely,

Thomas A. Marshall
Counsel for Doe Valley Utilities, Inc.
